

Financial Services Guide

Effective 1 March 2022

About this Financial Services Guide (FSG)

This FSG is provided by Victoria Teachers Limited trading as Bank First. It has been developed to assist you in deciding whether to use any of the financial services or products we are authorised to provide.

It contains general information about how we and others are remunerated in relation to those products and services, how you may access our dispute resolution procedures and our contact details.

Other disclosure information

Depending on which products and services you choose, you may also receive a Statement of Advice, a Record of Advice and a Product Disclosure Statement or a Terms and Conditions brochure.

- The Statement of Advice (SOA) contains information about personal advice we give you so that you can make an informed decision about whether to act on that advice or not. Personal advice is advice that takes into account your objectives, financial situation and needs. An SOA contains the advice, the basis on which it has been given and information about how we are remunerated, as well as any associations or relationships which may have influenced the advice. An SOA will be issued if we provide personal advice about any product that is not a basic deposit product, a related facility for making payments other than by cash, travellers cheques, travel insurance or a general insurance product for which an SOA is not required to be given by law. We will issue the SOA at the same time or as soon as practicable after the advice is provided.
- A Record of Advice (ROA) contains information about subsequent personal advice we give you. A copy of your ROA may be requested by you where it has not already been provided to you. A request for a copy of your ROA must be made within 7 years after the day on which the subsequent advice is provided to you.
- A Product Disclosure Statement (PDS) or Terms and Conditions brochure sets out the significant features of the product and contains information about its benefits and costs. We will give you the PDS or Terms and Conditions brochure or disclose the key information contained in the PDS or Terms and Conditions brochure to you if we recommend that you acquire a particular financial product or if we offer to provide you with a particular product.
